Ultra Eclipse™ Aluminum Privacy Panels come in 6' Sections

Consists of:
3/4" x 5" x .080 T&G Boards,
3" or 4" square posts, caps and
top and bottom rails.

Privacy with Strength

Eclipse aluminum privacy railing features strength and durability that you just can't get from a typical vinyl or wood railing systems. The ideal privacy panel for a residential, commercial or industrial application, to contain or shield air conditioning equipment, dumpsters, pipes, and electrical systems. Eclipse won't rack and wobble. It is designed to last for years and years without the worry of ongoing maintenance.

Gloss or Textured Finishes

Advanced Powercoat™ allows us to produce a high-quality, long-lasting finish on our aluminum, which is also environmentally friendly. Powercoat is twice the thickness and hardness of a typical baked enamel finish, and meets AAMA 2604-6 standards for the ultimate in durability and UV Protection.

Environmentally Responsible

Ultra is proud to use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our Powercoat coating process is environmentally friendly and virtually pollution-free.

Materials

All Ultra Aluminum components are extruded from Ultrum™ 6005-T5 alloy, with a minimum ultimate strength of 35,000 psi. Ultra posts come in a variety of thicknesses, and are also Powercoat™ finished.

Ultra Lifetime Warranty

Ultra Aluminum products are guaranteed for life against defects in workmanship and/or materials. The Powercoat™ finish is guaranteed for life against cracking, peeling or chipping.
